

This map illustrates the Gargano Peninsula, highlighting the MAREMMA area in dark blue. The coastline is marked with a red line, and the surrounding land is divided into various administrative or planning zones, indicated by different colors and patterns. Major towns and cities are labeled, including Vieste, Canosa di Puglia, San Severo, and San Marco in Lamis. The map also shows the extensive MAREMMA area, which is a large, flat, and often waterlogged region. A legend in the bottom left corner provides a key to the symbols and colors used on the map, and a scale bar indicates distances in kilometers and miles.
